

Limited access to the U.S. Embassy on April 29th

Please be aware that due to Swedish Television scheduled filming in the area, **Dag Hammarskjolds Väg outside the Embassy will be closed for traffic and pedestrians between 0900AM and 1100AM on April 29.** Customers to the Consular Section during these hours must therefore access the Embassy by walking via Valhallavägen/Gärdesgatan (address Gärdesgatan 2) . Gärdesgatan will only be open for pedestrians and there will be no parking available outside the Embassy. We therefore ask applicants to please be 15 minutes early to their appointment and to be patient during this day as we may encounter delays due to the limited access.
